MonLines V071

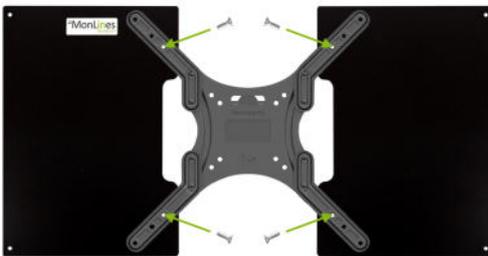

VESA Adapter für Samsung Frame 32 Zoll

1. Lieferumfang

Bitte prüfen Sie bei Erhalt des Produktes den Lieferumfang auf Vollständigkeit. Im Lieferumfang enthalten sind 2 x Adapterplatten, 4 x Schrauben M4x14, 4 x Schrauben M4x12, 4 x Muttern M4 und 4 x Unterlegscheiben.

Hinweis: Die Muttern und Unterlegscheiben können optional verwendet werden, um das TV-Gerät / den VESA Adapter vor Gebrauchsspuren zu schützen.

2. Adapterplatten an einer VESA Halterung befestigen

Montieren Sie die Adapterplatten mit den 4 M4x12 Schrauben an den 200x200 mm Gewindelöchern des VESA Halters.

Hinweis: Der VESA-Halter ist nicht im Lieferumfang enthalten. Dieser wird Ihnen bei Ihrer gewählten TV Halterung mitgeliefert. Achten Sie bei der Wahl der Monitorhalterung, dass diese über eine VESA Aufnahme von 200x200 verfügt.

3. Montage der Adapter mit VESA-Aufnahme am TV

Montieren Sie den Adapter mit den 4 M4x14 Schrauben am TV. Ziehen Sie die Schrauben fest, aber nicht zu fest an.

Anschließend können Sie den Fernseher mit der montierten VESA-Aufnahme an der TV Halterung befestigen.
