

lana

Lana Laptop Stand

TECHNICAL SPECIFICATION SHEET

KEY FEATURES

1. **Laptop Compatibility:** Up to 16" and Max Weight 2.5kg (5.5lbs).

2. **Pass Through Charging**

When paired with a USB-C laptop charger (not included), Lana delivers up to 100W power through charging to your laptop (dependent on power supply).

Note: Pass through charging is a feature that allows a device that is connected to a power supply to send power to other devices for charging.

3. **Instant Connection to Keyboard & Mouse**

Connect a keyboard & mouse into Lana's USB-A ports for instant access to peripheral support. Simply plug in Lana's USB-C cable to your laptop. Simple & convenient.

Note: Lana works best with a wireless keyboard & mouse.

4. **Height Adjustment**

Adjust Lana to a user's height by lifting the platform up and down whilst the laptop is in place.

5. **Fold Away Feature**

Lana folds flat against its post when not in use. Just push the platform in and it's ready for the next user.

Additional Key Features

- Freestanding base – Lana can be moved on desk easily to suit a user's position.
- Cable management – USB-C tucks away tidily underneath the platform lip.
- Available in black & white.

Black = RAL 9011*, White = RAL 9016*

**All RAL colours are for reference as closest match rather than exact RAL formulations.*

- Clamp option – Option to clamp Lana's base to a desk for applications where space is at a premium. Available to purchase on request as a special.
- PFAS free.
- Supplied in plastic free packaging.
- Built with sustainability in mind – can be easily dismantled and more readily recycled.

PRODUCT PERFORMANCE GUIDELINES

Maximum laptop size and weight

LOGISTICS

Box contains	Lana Laptop Mount, Instructions
