# PhoneBOX

Qi UNIVERSAL CHARGER  
FAST CHARGE

**MiniBatt PhoneBOX** is the new 3-coil wireless charger to integrate into any vehicle where you want to enjoy the technology without cables. A perfect accessory to have in your car with the latest technologies!

Designed to easily charge your mobile phone while you are driving, the new **miniBatt PhoneBOX** is made with a silicone texture that ensures maximum device hold while charging. With a universal installation system, the miniBatt wireless charger can be integrated onto any surface in the vehicle.

With three induction coils to ensure maximum performance, **miniBatt PhoneBOX** is manufactured to be used with mobile phones that integrate Qi technology, and meets all quality certifications.

Forget badly organised cables and stay focused while you are driving. You will not lose concentration while driving to charge your mobile phone!
